Introduction

M J College has been constantly involved in enhancing the academic growth of students with regards to teaching and learning process. Every year before the completion of the final examination an online feedback is taken to know the areas of improvement and the same is implemented as and when required. A student satisfaction survey can help educators identify areas of the curriculum, teaching methods, and resources that need improvement. The survey gives opportunity to the students to provide feedback on faculty, academic and extra-curricular facilities and the overall milieu of the college. The feedbacks taken from students are used to assess the level of their satisfaction, grievances and appreciation in relation to academic and nonacademic services which are rendered by the institution to the student community. On the basis of such feedback the institution can re-orient its approaches to cater to the optimum benefits of the students within its command.

The latest survey has been done and 138 students had filled the questionnaire. Student Satisfaction Survey as a feedback survey to assess the students' satisfaction on the curriculum, teaching learning processes and infrastructure is made annually. Opinion of students is collected with a structured feedback forms. The SSS questionnaire have been modified according to the format prescribed by NAAC and now there are 20 MCQs and 1 qualitative question for student's opportunity to give suggestions or improvements; she/he can also mention weaknesses of the institute.

Total Number of Students participated in SSS: 183
