

**iQAC**  
Internal Quality Assurance Cell  
**M. J. COLLEGE**

Ref. No. : 01/IQAC/18

Date: 02/07/2018

This is to inform all the Head of Departments and faculty members that to bridge the skill gaps and make students industry ready and to improve employability skills of students, Value Added Courses may be introduced in the department. The VAC should focus on the topics which are not usually covered by the courses of a programme and it is useful to provide an opportunity to students to develop inter-disciplinary skills.

Such programme timing should not affect the regular timetable of the department.
